**ACOM Healthcare Business Consulting Group to Create/Present
Chiropractic Coding and Documentation Programs for Elite Coaching Clientele**

MT. VERNON, Ohio, September 2, 2008 – The ACOM Healthcare Business Consulting Group and Tacoma (WA)-based Elite Coaching, LLC have entered into an agreement under which ACOM [chiropractic consultants](#) will conduct a program of activities as Elite Coaching’s official coding, documentation and compliance resource, it was announced today by ACOM Senior Consultant Bharon Hoag and Elite Coaching Founder/President Dr. Fred DiDomenico.

In the new agreement, ACOM will conduct seminars in coding, compliance and documentation every other month, for a total of six per year. During the seminar off-months, the [chiropractic consulting](#) group will present webinars in proper coding and documentation for Elite clients.

Elite Coaching is recognized as one of the nation’s top-ten chiropractic practice management coaches, specializing in enhancing practices through teaching Chiropractic Biophysics Technique and the Pettibon Technique for treatment of spinal curvature and structure problems. ACOM’s consulting group is known throughout the chiropractic field for its successful programs for enhancing revenues through proper ethical coding, documentation and compliance as well as more effective business management practices.

“The ACOM Consulting Group is widely known for its expertise in helping doctors substantially increase their practice revenues through better understanding and application of proper coding and documentation and they come to our organization and our clientele highly recommended,” said Dr. DiDomenico. “Our member doctors stand to benefit enormously both from their knowledge of practice processes and from their ability to communicate proper application of the codes in doctors’ daily work.”

“We are truly excited about this new relationship with Elite Coaching,” Hoag said. “They are one of most successful coaches in the chiropractic field and they share our mission and vision of advancing the success, prestige and positive visibility of the profession. This

promises to be a great experience for everyone involved and a wonderful career development opportunity for participating doctors.”
