ACOM Health Continues to Grow; Announces Service and Support Management Appointment

“The ACOM Health Division is positioned for serious growth and the assignment now assumed by Dr. Dorel and his respective staff will be critical to our ability to fulfill our promises to our customers...”

ATLANTA, Georgia, January 28, 2010 – ACOM Health, a division of ACOM Solutions, Inc., has appointed and consolidated responsibilities to further strengthen the division’s customer service and support capabilities, it was announced today by Libby Guntner, vice president of Healthcare operations.

Dr. Dorel Radivoj, D.C. has been promoted to customer service manager, with responsibility for both ACOM Health Professional Services and the ACOM Health Consulting Group. Dr. Radivoj joined ACOM as a clinical training consultant in late 2008, bringing to bear a unique background as a clinician, a teacher and an insurance company case manager. He graduated from Life University, Atlanta, in 2000, joining an Atlanta personal injury clinic as an associate. Later, was a clinical instructor at Life University, responsible for preparing student clinicians for outpatient clinical rotation, focusing on patient care and the importance of patient file documentation. As an insurance industry case manager, Dr. Radivoj experienced firsthand the importance of [documenting medical necessity in supporting chiropractic claims](#).

“I am excited for Dr. Dorel Radivoj in taking on more responsibilities,” Ms. Guntner said. “He has demonstrated ongoing dedication to his position as well as to ACOM and its customers. The ACOM Health Division is positioned for serious growth and the assignment now assumed by Dr. Dorel and his respective staff will be critical to our ability to fulfill our promises to our customers. We wish him great success and we are confident in their ability to achieve it.”
